GREENLAM LAMINATES

To foray into the world of decorative laminates requires a vision. When the manufacturing process leads to the final product and everything is meticulously inspected for quality, Greenlam Laminates come into existence. Our 'Green' vision to produce eco-friendly laminates delivered durability with precise craft which later-on turned into an epitome of success.

MILLIONS

EXPERIENCE
the unexpected

WE ARE ASKING
YOU TO EXPECT
MORE FROM US.
ALWAYS.

Creativity has no rule: to never settle.

That's why we at Greenlam, we never fail to exceed your expectations and keep on bringing new ideas and innovations. Yet again a step ahead, we are presenting Greenlam laminates shadeboard with advanced features. Experience panoramic view, augmented reality and many such features to get inspired and create your dream spaces. Explore the limitless possibilities.

GIVE EVERY SPACE THE POWER OF EXPRESSIONS

The largest laminate manufacturing company in Asia and among top 3 laminate brands in the world, Greenlam Industries Ltd. is the most preferred choice for Architects and the discerning consumers alike when it comes to decorative surface solutions. Greenlam is the pioneer in bringing international trends in laminate designs to India.

Unrivalled reach

Pioneer in bringing international trends in laminate designs to India, we're present in over 100 countries like USA, Singapore, Hong Kong, UK, The Netherlands, UAE, Thailand, Indonesia, Taiwan, Canada, Bahrain, Hong Kong, Malaysia, Singapore, Dubai, South Africa, Australia, Mexico, Saudi Arabia, China, Europe and many more.

Keeping ideas green

We are inspired by nature. We are approved by nature and perhaps this is the secret behind our success. Through our green practices, we have obtained internationally acclaimed certificates like ISO 9001, ISO 14001, OHSAS 18001.

Our products also meet the international quality standards - MEVA of US & BS of United Kingdom and E1 certifications.

All that we offer

We offer the most comprehensive portfolio of residential and commercial surface products - decorative laminates, decorative veneers, room dividers and pillars, wall cladding, engineered wood floors and engineered doors & frames under the brand names Greenlam Laminates, Decorwood Veneers, Greenlam Studio, Greenlam Clads, Mikasa Real Wood Floors & Mikasa Doors & Frames.

NOTHING LESS THAN THE BEST. ALWAYS.

Make space for surfaces that care for you

At Greiner Lunkens, every space truly cares for you, because health never comes first. That's the reason why we set the only board which offers anti-bacterial property in each and every product.

SCAN & EXPERIENCE

Know the story behind unbeatable 10 year warranty

- Abrasion Resistant (Higher abrasion cycle than other laminates in the industry)
- Dry and Wet Heat Resistant
- Scratch Resistant
- Light Resistant
- Cooling Water Resistant
- High Temperature Resistant
- Wear Resistant

SCAN & EXPERIENCE

Reimagine your spaces with uncommon designs

After a thorough research of latest trends in over 100 countries, we create our designs. That's why not only the products last, the designs last too. This is achieved by using the best European veneer paper.

SCAN & EXPERIENCE

The idea is to broaden access to GREEN LIVING

Right from the procurement, every step to create Greiner Lunkens is taken with a great love, serenity and care for the mother earth. Adhering to the necessary and green practices has been the foremost serious ecological, appreciation and certification such as:

PRODUCT PORTFOLIO

Greenlam compact laminates and allied products

As Asia's leading manufacturer of high pressure laminates, Greenlam offers you durable and decorative Greenlam Compact Laminates. The perfect choice to build your ideal interior and exterior. While their sturdiness makes them apt for a wide range of applications, their spectacular colours make them more desirable.

Exterior Grade Compact Laminates with unmatched GLE technology, designed to make exteriors enthralling and gripping.

Planned by the seasoned artistic minds, these new patterns let you explore infinite possibilities and breathe new life into your spaces with sheer brilliance.

Fused with excellent machinability, superior screw-holding power & smooth surface finish, these Melamine Faced Chip Boards are crafted to add perfection to the spaces. Offering a very wide range of stunning designs, they are ideal for both commercial and residential spaces.

Interior Grade Compact Laminate crafted to beautify your interiors, made from solid grade high pressure Compact Laminates.

Specifically crafted for interior design projects and bespoke furniture, these laminates are perfect for edging to create a uniform and seamless finish.

WOODS AND ALLIED PRODUCTS

When nature meets imagination, a masterpiece is born!

A true charmer, this range has everything to add natural charisma to your interiors that stays till eternity.

Chemical Resistant Compact Laminates, designed specifically to shield surfaces from chemical abuse.

The result of our cutting-edge technology, these revolutionary laminates have solid coloured patterns over the edges to add an extra edge of magnificence.

A premium range of natural decorative veneers that make your interiors naturally beautiful. This exclusive range of veneers brings you the world's most exotic timbers offering you more than 200 species of woods. Available in Natural / Teak / Engineered.

Unlike traditional doors, Mikasa offers custom door solutions. Ready to fit, engineered from wood, superior factory-finished products look at the doors in a whole new light.

Presenting a new world of restroom cubicles and locker solutions studded with innovative designs and unique features. Enabling you to design your world your way with its customization feature, it offers you innovative and bold patterns & themes to turn spaces into marvels. Not only this, our expert installation team installs these lockers and restroom cubicles at your spaces assuring perfection.

Thinner alternatives of Compact Laminates, these panels are durable and sturdy as ply boards. These are designed to be particularly resistant to degradation, scratch and stain; making them perfect for bathroom doors, workstation partitions and other self-supporting vertical applications.

Mikasa real wood floors, produced in India for the first time, draws inspiration from a Spanish phrase "Mi Casa, Su Casa", which means my home is your home. Mikasa is inspired by wood. Each piece of wood is enhanced using the latest technology, thus bringing out the true character of wood. It offers the largest collection of engineered wooden flooring in various thicknesses and sizes. We create the finest floors. For those who have the finest taste.

PRODUCT PORTFOLIO

Greenlam laminates and allied products

A result of an undying passion for craft, technology and art ; Greenlam product range can work with almost any style of decor. Offering breakthrough designs and stunning textures which are incredibly gorgeous and strikingly creative. Designed to transform dull spaces to a lively paradise. Each variant of laminate is complemented by exquisite detailing and understated, to say the least.

HD GLOSS LAMINATE

A superior gloss laminate empowered with the best in class Scuff, Abrasion and MAR resistance to resist permanent deformation or micro scratches resulting from the application of dynamic mechanical force.

DIGITAL LAMINATE

Innovation and contemporary consolidated into one. Extensive variety of digital colours and patterns for you to enrich every nook and corner of your spaces. Be a trendsetter.

DECOLINER LAMINATE

Range of low maintenance liner grade laminates that add a new dimension to your craftsmanship. Make your cabinets, cupboards & wardrobes as beautiful inside as they are outside.

ELECTROSTATIC DISSIPATIVE LAMINATE

When it comes to excellent dimensional stability, ESD laminates come first. Having five times the stiffness than its substitutes, the chances of accumulation are less on these laminates. They are ideal for IT offices, call centres, laboratories, electronic industries, pharmaceutical laboratories where electronic gadgets are regularly used.

UNICORE LAMINATE

A result of an undying passion for craft, technology and art, these laminates are perfect for edging to create a uniform and seamless finish with no dark edges. Made with special decorative paper, Unicore, in solid colours, suede & gloss surfaces, it enhances the décor, aesthetically.

DOOR SPECIAL LAMINATE

A range so perfectly fit for doors, these laminates not only clad your doors seamlessly but also make them look beautiful. Available in a specialised 3'x7' size to cater to your every need.

CHALK & MARKER GRADE LAMINATE

Two premium ranges of laminates, white chalk simply flows on a chalk board whereas marker board is fit for markers. Available in a variety of colours, these laminates, when wiped, turn spotless and live much longer than the traditional boards in schools and corporate houses.

COUNTER TOP LAMINATE

A perfect fit when it comes to kitchen and bathroom settings, these laminates are not only elegant and modern, and at the same time resistant to stains, moisture and abrasion. Available in a wide range of sizes and colours to add to your taste of stylish interiors.

SWITCH BOARD PANEL

A collection of ready to use switch board panels which can be easily cut and drilled, these panels are apt for homes and offices. Manufactured under strict process control, these panels come to life by layering of phenolic resin impregnated 'A' Grade kraft paper with melamine strength and electrical properties.

FIRE RETARDANT LAMINATE

Treated with imported fire retardant chemicals which help in delaying temperature rise, making it resistant to fire. Available in a variety of colours and designs, these laminates are high in aesthetic appeal and ensure secured environment.

SUPERTUFF LAMINATE

Tough from inside. Exquisite on the outside. That are Greenlam Supertuff laminates for you. Available in 1.5mm thickness, these laminates are engineered to withstand rough usage.

CUSTOM LAMINATE

Now decorate the world around you with your imagination and adorn your house just the way you want with custom laminates. Bring us your own images, artwork, photographs or illustrations and we'll create laminates that are unusual and memorable.

POSTFORMING LAMINATE

Designed exclusively to enhance the aesthetics of your interiors while preventing water seepage in crevices and moisture retention. Armed with added flexibility and malleability, the post forming laminates are ideal for application on shutters, counter tops, furniture tops etc.
